

**NEW Cordless Bar Cutter**

**Portable, convenient and safe solution where external power is not available or where spark risk is a concern.**

Continuous innovation has led to the design and introduction of the Enerpac EBC20 Cordless Bar Cutter. The battery-powered, Cordless Bar Cutter was designed for those who work on-site without access to power. It is an addition to the already safe and proven electric and hydraulic bar cutter product line.

- Rotatable head can be positioned for optimal access to application
- Quickly cut through up to #6 rebar in 5 seconds
- Up to 125 cuts on a single charge
- Highly durable blades make up to thousands of cuts
- No shooting sparks or exploding abrasive blades
- No exposure to high RPM cutting wheels
- Trigger Guard helps prevent accidental activation

Model #	Tons Capacity	Charger Voltage
EBC20B	21.2	120
EBC20E	21.2	230
EBC20 Bare Tool	21.2
